## BROKERAGE'S #1 TEAM IN 2010

Widely recognized as the leaders in west Toronto's luxury real estate market, the Pettigrew & Estlick Team were once again the top producers at their brokerage in 2010. The team's commitment to excellence in service and promotion, has set a high standard for their profession.

Clare and Robert expect the 2011 Real Estate market to be fundamentally sound, as buyers, both locally and internationally, continue to view Toronto as a safe and secure investment environment.

**“We believe that the 2011 market will be strong, driven by historically low mortgage interest rates, a sound dollar, stable economy and expanding population.”**
